

Letter to radio programs

[Apr. 1958]c

The Friends of Palama is sponsoring a benefit concert April 25 and 26  
in Farrington high school auditorium to aid ~~our~~ <sup>(the Palama Settlement)</sup> scholarship programs.

Scholarships enable many of ~~Honolulu's~~ <sup>Honolulu's</sup> young people to participate in  
wholesome, educational activities that benefit the entire community. Only  
50 per cent of our operating money comes from the Community Chest; the balance  
is derived from small participation fees and such activities as the forthcoming  
concert.

We would appreciate your kokua in publicizing the event as much as  
possible. For your convenience, we are inclosing several brief spot announcements.  
The influence of your program <sup>(will undoubtedly)</sup> ~~should~~ help assure the concert's success.  
Thank you on behalf of Palama Settlement and the young people of Honolulu.

Very truly yours,

Walter H. Ehlers
