## KUMASHIRO BLANKS RIVERSIDE ON TWO HITS

Heoji Kumashiro's two-hit pitching gem enabled McInerny Monarchs to gain a brilliant 8-0 victory over Riverside A. C. in the titular playoff of Palama Settlement's community softball league Sunday morning, June 26th, at Castle field, Palama.

McInerny will meet Harry Char's defending-champion Chinese Amateurs in the championship game this Sunday, July 3rd, at 10:00 a.m.

Riverside earned the right to meet McInerny by winning the "C" Section crown. The Monarchs are "A" division champions, while the Chinese Amateurs are "B" winners.

Kumashiro was in brilliant form, tossing hitless ball until the seventh inning when Riverside touched him for a single. He was accorded perfect support by his team-mates, only four Riverside batsmen reaching first, two by passes and the other two through hits.

The Monarchs scored four runs in the first inning, two in the sixth, and two more in the eighth for an easy victory. This Sunday will mark McInerny's second attempt in successive years to wrest the championship from the Amateurs. In the 1937 finals, the Chinese club overcame a big 8-1 lead to annex the title.

## PAL CAGERS TO SPONSOR DANCE JULY 4

Palama Settlement's Junior ASUH and Territorial Jr. AAU basketball champions will sponsor a Winged "P" dance on Independence Day, July 4th, in the Palama gym. Music for the affair will be furnished by the popular Blue Harmony band. Dancing will begin at 8:00 and continue until midnight. Admission will be 35¢.

Beckers of the Winged "P" squad and followers of the great indoor game who have watched the fighting Pals smash all Junior opposition throughout the season in spectacular fashion are expected to attend the frolic in large numbers. Proceeds will be used for team awards.

## PAL MARATHON SWIM DERBY TO START IN JULY

Palama Settlement will sponsor a marathon swim derby for its members starting July 1st and ending August 1st in the Palama tank. The event is a revival of the all-summer marathon swims that made such big hits with the Pals several years ago. Entries will close Thursday, June 30th, at 4:00 p.m. with Fil Marvin.

Competitors will be divided into three groups, Class "A" for boys over 15 years of age, Class "B" for boys 15 years and under, and Class "C" for boys 12 years and under. Suitable medals will be presented to the winners of each division. Rules for the swim marathon are listed below:

1. Each contestant may swim only ONE hour each day and is allowed to swim only 20 hours in all.
2. He may swim any number of laps he chooses in the hour. He need not swim every day but is required to complete his 20 hours by 4:00 p.m. August 1st.
3. Any stroke may be used and changed while swimming as long as the swimmer touches the end wall on the turns.
4. All laps must be counted and recorded by a Palama staff member or any member appointed by a staff worker.

## PALAMA TO STAGE TWENTY SIX MILE MARATHON

The Palama Recreation Department will sponsor its third big event of the year, a 26-mile marathon, Labor Day, September 5th, it has been announced by Fil Marvin, Settlement physical director. The Around-Marathon Relay and the Invitational Swim meets complete the headliners on the Pal sport calendar.

Tentatively slated to start at Wright Gate, Schofield Barracks, and finish at the Settlement, the race will be over a tougher course than the Olympic distance. All runners interested in the novel event are requested to begin immediate training.

Sufficient and suitable awards will be presented to all winners. The run will demand more from local marathoners in the way of stamina and condition than any race they have ever been subjected to, and will accord all finishers opportunity to compare their times with Olympic champions.

THE MAN WHO GETS PROMOTED

The ordinary fellow does an ordinary task.

He's mighty fond of "good enough" and lets it go at that.

But the chap who gets promoted or the raise he doesn't ask

Has just a little something more than hair beneath his hat.

The ordinary fellow lives an ordinary day,

With the ordinary fellow he is anxious to quit;

But the chap who draws attention and the larger weekly pay

Has a vision for the future, and is working hard for it.

The ordinary fellow does precisely as he's told,

But someone has to tell him what to do and how and when;

But the chap who gets promoted fills the job he has to hold

With just a little something more than ordinary men.

He has a head like a door knob -- anybody can turn it.

BOYS' CLUBS NEWS

Summer Camp - One week at Waialua Fresh Air Camp with a program that was different, thrilling, fun, and adventurous caused some of the campers to hate to leave camp for home last Saturday afternoon. Some of them wanted to know whether they could go to another camp in the near future where they may all camp in this NEW way. The week's program was planned to give every boy recreation, rest, craft work, weight gaining, and education. In the mornings, the boys were occupied in string belt making, talks, games, and swimming. After a rest in the afternoons, the rest of the time was spent in resting, hiking, playing croquet, and swimming. Movies, campfire program, stunts, and group singing were enjoyed in the evenings. Not one boy missed any meals. The cooking of Mrs. S. K. Lau was too good to miss.

Several Waialua friends came to visit, eat, and talk to the boys, and we wish to thank them for their interest in us. The Rev. "Pop" Withington again took time off his work to take the boys to the beginning of the trail to Waimea Falls, and later in the evening spoke to the boys. The Rev. Ozaki of Waialua Japanese Christian Church talked on "Keeping One's Oath" on Thursday morning. The surprise of the week happened on Friday morning when Gordon Virgo of the Waialua Recreation Office invited the boys up to the Kawaiiloa Community Center and ran some relays against the Kawaiiloa boys in the gym. City boys are supposed to be good athletes, but the country boys took every relay. Palama boys made a better showing in the swimming tank. Palama's four-man team composed of Eddie Lum, Robert Leong, Hiram Kaninau, and Robert Ikira barely nosed out the country swimmers. Palama wishes to give special thanks to Mr. Virgo for making our boys happy.

The next boys' camp will be held sometime in August. The fee will be \$1.00 for three days. Start saving your money now.

Leaders' Meeting - The first leaders' meeting for this summer will be held Friday, July 1st, at 6:00 p.m. in the Cafeteria. Light refreshments will be served after the meeting. Will all concerned please take notice and try to be there.

Excursion - Only boys who have signed up may go to the Hind Clarke Dairy this Friday, July 1st, from 1:00 to 3:00 p.m.

## CLASS CHATTER

Adult Crafts There is something about crafts that appeals to almost everyone, and the Monday evening class for seniors is only proving that statement. Organized for the older group the class provides for a variety of craft activities. Last week's group selected small foot stools and fiber weaving as their first project and one very attractive stool was completed during the class. The girls and women are planning a number of weaving projects, some block printing, and stuffed toys. Remember the time and Mrs. Bostrum, the teacher.

Beauty Class Despite the rain last night several girls and women reported for the first class in beauty work. Don't let the high sounding name confuse you--its just a class for seniors and adults where shampoo, finger wave, manicure and makeup are explained and taught so that our girls can make the most of their personal appearance without constantly visiting a beauty shop. There is quite a skill to knowing the proper way of doing things--ask the girls who practiced manicure this last class!

Children's Crafts Snow White and the Seven Dwarfs have made their appearance in the hobby room this week and the girls are delighted with the clever fairy tale figures. Mrs. Bostrum has opened up the adjoining clubroom to accommodate the mob of youngsters enrolled in the morning class. Drop by and see the attractive projects being made by members of the class!

Play School This week has truly demonstrated the value and popularity of Miss Kim's afternoon play school for tiny tots. The clubrooms have been crowded with little brothers and sisters of dance school girls and the report is that everyone is well satisfied with the arrangement for taking care of these tiny youngsters. Dolls, toys, and "sticks" are scattered all over the place but cries are few and far between--so congratulations to Miss Kim!

## JUNIOR CLUB PICNIC

Old man Sol deserted the Junior club girls last Friday and only a small number reported for the Diamond Head picnic. But, from all reports those who attended would'nt have missed it for the world. Japanese, Korean, and Twilight Juniors were well represented--and its just your hard luck if you let the rainy skies scare you away from the fun.

## MIDGET CLUB PICNIC SATURDAY

Lucky midgets belonging to Palama girls clubs will crowd into the bus and wagon Saturday morning at 10 a.m. for their vacation picnic. A mob is expected so it might be wise to arrive early. Each club girl is to bring her own lunch and tell mother that she will be home about 5:00 p.m. Palama will take care of everything else! Remember the bus leaves at 10 a.m. sharp so don't be late!

## SUMMER DANCE SCHOOL

Even at this early date girls are being selected for parts in the Summer Dance Program according to Mrs. Pope, Settlement dancing teacher. Mrs. Pope is very proud of our Palama dancers and the progress they have shown in such a short time. And so are we! Looks like this year's pageant would be the best ever. So watch out girls--you can't afford to miss a single class if you want to be in the program. We have such a short time to prepare for the event that only the smartest and most faithful will rate a costume and their name on the program!

"Let's go to the fair."

"What fair?"

"I dunno. The paper says 'Fair today and tomorrow.'"
