PALAMA PERSONALITY:

BECKY HUNG

By Flora Watanabe

Our first personality for the Palama News is REBECCA HUNG. She is a petite sophomore at McKinley High School. She is 5'1", weighs a little over 100 pounds and has a freckled face with a pair of brown eyes and brown hair. Dreamy Eyes, her favorite song sends her to Cloud 9. Blue and white are the colors that she likes best. Believe it or not, her favorite subject is English.

When Becky comes to Palama she goes straight to the gym and plays basketball which is her favorite sport. She is a helpful gal and is always around when needed.

She is in the Les Shontelles Club of Palama. She is also a Junior Leader for the Saturday Morning Program.

The Twist doesn't make much of an impression on her, but says, "It's good for those who need to reduce."

R. BERDON MOVES

By Henry Dela Cruz

Popular junior leader, Reggie Berdon of the Cosmopolitans, moved from his home on Sing Loy Lane to Kalani St. The Berdons were forced to move because of the new highway that is coming up in the area. He will still be a regular member at the Settlement, but it will be a longer way home now.
