Please return to
Music School

PUBLIC INTEREST BROADCAST

Palama Settlement Music School, a participating agency of the Honolulu Community Chest is now building its library of music, classical records, and music reference books.

This library was started primarily for the students of the Music School but people of the community are welcome to make use of it also. Since the school is not a money-making enterprise, there is no available fund for the building up of facilities for this library.

It is asked that all those who would like to contribute to this library please call the Music School at 8545.

Every Wednesday night the public is invited between the hours of 7 and 9 to sit in on a Pop Record Concert. The first hour will be devoted to light or semi-popular classics. The second hour will be used for the heavier classics. People attending the Concerts have a part in selecting the records to be played. It is hoped that from these meetings round-table discussion groups can be formed in which all can exchange ideas freely and informally.
