Staff meeting was held on 1/26/54

Agenda of the meeting:

1. Announcement about Jr. League play given on Wed 1/27 at 10:00 A. M.
2. Excursion trip to be taken by the older children to the Bishop Museum
3. Parents' Meeting to be held Friday 1/29
4. Preparation for Valentine
5. Discussion about the progress of the new pupils
6. Problem of getting new pupils
7. Suggestions made by parents were: (Special meeting held by parents.)
 1. Extending the hours longer.
 2. To have a parent work in the afternoon to watch the children in payment for child's tuition.
8. Mr. Ehlers suggested that a survey be made among our parents to see whether the change of program and hours will result in an increase of children and income for the school. The possibility of provision for transportation was also mentioned.

University Meeting

I attended the meeting held at the University Pre-school on Jan. 11, 1954. An evaluation of the work of the cadets was made and found it helpful in sharing experience and receiving helpful suggestion by others in the guidance given to the girls in the classroom situation.

Repairs made:

The door was repaired by Mr. Okamoto and all the locks of the closets and kitchen doors were changed. On the 11th and 25th someone entered the pre-school building.

Special Events:

All the children were taken to see the Junior League play, "The Three Wishes". The children enjoyed the play very much for most of the older children wanted to see more and did not want to leave the auditorium.

Excursion

The older children were taken to the Bishop Museum to see the exhibits. They showed keen interest in seeing the insects, fish, shells, birds, etc. After leaving the museum, the children were saying that they wanted to make another trip soon.

Parents' Meeting was held on Friday, Jan. 29th at 7:30 P. M. There were about 20 parents present. Miss Harriet Johnson from the University Pre-school spoke on "Children's Art". Mrs. Pearl Lau gave a brief report on the Carnival and explained the necessity of having a Bazaar sometime in May. \$778.50 worth of scripts were sold by the pre-school, although only \$500 worth of scripts were given to the school at the beginning. Kathleen Kanehira was presented with \$10 for selling \$150 worth of scripts and Rodney Lee \$7.50 for selling \$100 worth of scripts. Cash donations received for our saimin-barbecur booth totaled over \$60 and food donations amounted to about \$70. The expenses for our booth was less than \$200. Sales from the five days totaled \$862.50, leaving us a profit between \$500 to \$600.
