

MUSIC DEPARTMENT

Minutes of Staff Meeting held on April 27, 1953.

We opened our discussion with the amount of music resale we have on hand, and on whether old material could be put into use. Since the teachers agreed that most of the old material could not be used for music resale, it was suggested that this material be transferred to class supplies and used for our theory classes or given to our scholarship children who could not afford to buy extra music.

Mrs. Chun and Mrs. Wilkins will make personal calls to the following homes in regards to delinquent bills:

Janet Goya
Dorothy Ching
Fay Uyeda
Francis Young

These calls will be made on Wednesday, April 29th.

A discussion was held on the summer day camp program.
