Dear John:

Please accept our wholehearted thanks for the \$360.00 which is made available by your Committee of the West Honolulu Rotary Club for use in the development of a boys' glee club here at Palama Settlement. I hope that this projected program will go along nicely and some day in the future we may be able to bring the group to the Club for a singing program.

If you will please pass along my thanks to the Club through Hung Wai I would appreciate it.

Sincerely yours,

Walter H. Ehlers  
Director
