KAKAAKO SONS GAIN LEAD IN PAL SLAM RACE

The defending-champion Kakaako Sons slam outfit remained the only unbeaten team in Palama Settlement's community volleyball league following completion of the circuit's fourth week of play in the Settlement gym. Its closest threat, Kakaako, was upset in three sizzling sets by a smooth-clicking St. John crew in the feature game of a double-header Thursday evening. Scores were 16-18, 15-13, and 15-9.

Damon A.C. gave Elders Club its fourth straight setback in the other half of the twin-bill by scoring a 12-15, 15-9, 15-6 victory.

Kakaako Sons took Puerto Rican Independent Club 15-0, 15-1 in a breeze in the second tussle of Tuesday's slamfests, while Kalihi Pharmacy spanked Maggie's Inn 15-5, 15-12.

PAL SWIM TRIALS SCHEDULED FOR TONIGHT

Trials for the second of Palama Settlement's 2nd annual Invitational Swimming meets are scheduled for 7:30 o'clock tonight at the Westside pool. Preliminaries will be held for five events of the 14-event program slated Thursday, May 11, which will show stars from Palama, University of Hawaii, Citywide A.A., Central YMCA, and Nuuanu YMCA.

The Winged "P" team holds a commanding lead in the scoring race, gained in the first meet held last Friday, and should win the gold trophies symbolic of championships in the Men's and Women's divisions at the close of Thursday's splash. Bobby Rath's University of Hawaii natators are conceded an outside chance of nipping the Pals in the Men's race by virtue of a star-studded entry list.

"Jimmy" West's Palama girl swimmers should win in a breeze. A well-balanced squad gives the Pals a clear-cut advantage over the rest of the field.

Listed below are the order of events:

1. 100-yard Freestyle - Open (Women)
2. 100-yard Freestyle - Open (Men)
3. 100-yard Freestyle - Novice (Men)

Girls' News

Volume Six No. 35

Palama Settlement, Honolulu, Hawaii

HERE AND THERE

Word has been received from ex-club leader Grace Emory, that a new switch for the player piano and 2½ dozens new piano rolls are on the way. This is a bit of welcomed news to the girls' clubrooms--we had doubts whether or not the missing parts could be found even on the coast and no switch--no music!

This traffic to the coast is getting "terrific"! Coach Jimmy West sails Friday for a month's vacation which includes plans for plenty of rest, a bit of dieting and, of course, the Fair! Some people get all the breaks--but smooth sailing, "Jimmy" and hurry back--cause guess what happens June 14th?

Ask Mrs. Pitman what book she read last week which could possibly have had anything to do with her dazzling success at a recent bridge party--or just ask her about the new shell lei she is wearing! Tsh, tsh, Mary, we know you're good--so save your blushes!

"Mac" had better take care or practice up on "the stars and stripes" because as how--malihini Reed maxson is "kellying in".

Girl club leaders tried their hand at woodburning and other crafts in the first leaders' session of the month. Instructor Fern Bostrum put them thru their paces and handed out suggestions enough to keep them supplied for many months. The portable radio was plugged in during supper to permit the group to listen in on the University of Hawaii songsters over K.G.U and our missing club leader, Mary Lee. Congratulations, Mary--our only complaint is that "it was too short".

The Excelsior Club, formerly Korean Seniors, under the leadership of Miss Esther Ahn have just completed a clever club contest in "good English". It sounds rather dull but not so as the Excelsior Club worked it out. You see, each girl had a number of contest cards and everytime she was caught speaking broken English she had to forfeit a card, and there were no "retreats" or "home bases"--you were liable to get caught at anytime and any place. Eliza Koo managed to hold 19 cards at the end of the contest and just edged out Florence Choo with her 18 wins! Prizes were distributed by Mrs. Pitman when club leader Esther Ahn was unable to attend last week's meeting because of scalded feet. We are glad to see Miss Ahn back even with bandaged feet!

Boys and girls will have a little trouble adjusting to the new movie schedule which has been approved by Dr. Platt and will go into effect May 13th. After that date the Settlement will show movies in the auditorium only every other Saturday afternoon and evening--a plan which will give the members a better show--tho only twice a month! Just a reminder--movies on May 13th--then skip a week and another good show May 27th.
