

11/9/53

Notes on meeting with Mrs. Schutte.

Estimates made on items:

3 Sows

1 lb. pork ----- 3 laulau ^{for 3000} 1000 lbs dressed

1 lb butterfish----- 20 pieces 150 lbs ⁷⁵

3 leaves per laulau

30 lbs. salt

Poi cartons-- $\frac{1}{4}$ lb. size

6 pots needed to steam per day

(Suggestion--use Waialua pots)

Sam Chu & brother slaughter & cut pig

Contact Mr. Miller for permission to use
cafeteria.

Make all laulau in one day & store in
in refrigerator, then steam the estimated quota
each day. (Steaming time: 5 to 7 hours
also laulau to be turned around during
steaming time)

Ti leaves to be gathered around Xmas time (6000)
ti leaves and luau leaves to be washed on the
28th. Wrapping and cutting of pork on the
29th. (Singing group to serenade?)

If unable to get luau leaves donated, Mrs.
Schutte can get them for 15¢ lb.
