EASTER SUNDAY, MARCH 28, 1937

COMMUNITY VOLLEYBALL MEETING THURSDAY

Final plans for Palama Settlement's 1937 Community Volleyball league will be drawn this Thursday evening, March 25th, at 7:00 p.m. in the Settlement auditorium.

All teams desirous of entering the popular circuit are urged to attend the confab as it will be the first and last meeting prior to the league openers.

Lido Cafe walked off with the title last year after heated battles with every team on its schedule. With interest waxing high, the 1937 contests should exceed all standards in attendance and calibre.

Entries will be taken daily at the Palama Settlement Recreation Office from 8:00 to 5:00 p.m.

JAPANESE MOVIE ON TAP THIS SATURDAY

Nelson Kawakami's Palama Swimming Club will sponsor a Japanese movie entitled "Maboroshi-Jo" this Saturday evening, March 27th, at 6:30 and 8:30 p.m. in the Settlement auditorium.

The youthful Pal splashers have been working with might and main to put the project over, and have made a large total of advance sales.

Proceeds realized from the shows will be utilized in carrying on the club's program during the year. Competition in the A.A.U. swim championship is one of the most looked-forward to projects of the Pals.

Help put the "Maboroshi-Jo" over, you Pals of Japanese ancestry. Bring the family!

MR. NOLLE SMITH TALKS TO PAL CLUB

Mr. Nolle R. Smith of the Hawaii Bureau of Governmental Research, member of the Settlement Recreation Committee, and founder of the Pal Club, returned to the scene of his old love and spoke to a representative gathering of Palama youth on the tremendous progress of Sociology during the past decade, last Sunday morning, March 21st, at 9:00 a.m. in the Palama auditorium.

Portraying in vivid word-pictures, the impressions and reactions gained in his recent research tour of the Mainland, Mr. Smith gave eloquent praise to the present administration in Washington in its attempt to promote the welfare of the nation's youth. He also emphasized the fact that living conditions in Hawaii cannot be compared with the miserable existence of people in the tenement districts of principal Mainland cities, especially in Chicago. Mr. Smith stressed the need of local-born men on the plantations, citing the fine pioneer work that is being done by Oahu sugar companies.

In closing, Mr. Smith described the novel facilities of Washington D.C., the nature of its individual functions, and the intricate set-up of its administration. Summarizing the data gained thru his intensive studies, Mr. Smith left with his audience, the conviction that Hawaii is indeed a "paradise" in the Pacific.

"LAST ROUNDUP" IS BIG SOCIAL SUCCESS

Close to 500 people enjoyed the Maverick "Last Roundup" which featured Johnny Lau's crack Orchestra last Saturday evening, March 20th, in the Palama gym. The spacious hall was decorated with gaily-colored Chinese lanterns and which blended harmoniously with the Maroon streamers.

The fine attendance proved conclusively that Palama Settlement can still attract dance crowds.

The Mavericks are extending through the Ka-Palama, their sincerest appreciation to all who contributed in making the "Last Roundup" a social success, despite adverse weather conditions and heavy competition. For a while, it appeared that the frolic would be doomed to failure, but the splendid patronage accorded by Palama members was most gratifying.

## JUNIOR TRACK SEASON BEGINS IN APRIL

Westside Junior tracksters are looking forward to the month of April when the Citywide track and field championships, the Junior Republic Relay Carnival, and the American Legion track meet will be staged.

Tentative dates for the events are the 10th, 17th, and 24th of April.

Palama Settlement's cinder artists have been strong contenders for the championship during the last three years, annexing runners-up honors in nearly every junior trackfest staged in Honolulu in the three season span. The Pals have yet to cop a title, but are out to crash the jinx this year.

## L.D.S. SLAMMERS IN TIGHT GAMES

Mormon volleyball enthusiasts have been witnessing thrilling tussles in the Palama Settlement gymnasium during the past week as M.I.A. wards from Kalihi, Lanakila, and Papakolea tangled for the L.D.S. Oahu Stake Title. The winner of this tournament will meet champions of the other islands for the territorial crown at the annual Latter Day Saints Play-Day.

## PAL WRESTLERS IN NOVICE MEET WEDNESDAY

Palama Settlement will be well represented in the A.A.U. Novice Wrestling Tournament this Wednesday evening, March 24th, when the big test for all first year mat-men gets under way at 7:30 p.m. in the Central YMCA gymnasium.

The winged P squad is coached by Louis Mendonca, who has developed several top-notch amateur grapplers in the past few years. Palama stands a fine chance of winning the team championship, her closest rivals being the Central "Y" and Dean mat artists.

Kingpins of the Pal stable are Ledesma 120 pounds, Iyabashi, 118 pounds, and Kobayashi, 135 pounds, comers of the first rank in the wrestling game.

Veteran simon pure wrestlers will have opportunities to display their wizardry next Wednesday evening, March 31st, when the Open Tournament is staged. Of particular interest to the Pals will be Mitsugu "Bear" Honda's return to the local wars under the Maroon colors. Honda gained a lot of valuable experience in his Mainland matches and should be as formidable as ever. "Bear" was Hawaiian Open 145 pound champion last year and was chosen to represent the territory in the Olympic tryouts where he reached the second round.

## PALS TO SPEND EASTER VACATION AT CAMP

Approximately 100 members of Palama Settlement's Boy Scout troops and the Maverick Hi-Y will spend their Easter Vacation at the Waialua Fresh Air Camp. The Mavericks will occupy the Settlement camp for the entire week beginning Monday March 22, while the Scouts are scheduled to remain four days. A Jolly Junior delegation will also enjoy Waialua, from Thursday, March 25th to Saturday afternoon. Mr. Floyd Wardell will be in full charge of the Camp, assisted by Edward Matsuoka and members of the Maverick Hi-Y club.

## THE SLEEPING BEAUTY

Story so far: A child was born to a King and Queen and a feast was given inviting seven fairies. And old un-invited fairy said that the child would prick her finger and die. The last fairy who waited until the old fairy had given hers, said she would not die but sleep for a hundred years. The princess visited her father's castle and pricked her finger on the spinning wheel and fell asleep as the fairy predicted. The youngest fairy god-mother drove up to the castle and put every one to sleep with her magic wand.

(continue with the story)

But the King and Queen she did not touch. They left the palace grieving to part with their child, but rejoicing to leave her in a sweet and peaceful sleep, and not in the sleep of death. Before they left, the King gave orders that nobody was to approach the castle. But there was no need of the command, for in a quarter of an hour a dense forest sprang up, so thick and prickly that no one could venture through it. Above this forest could be seen only the turret, where the Sleeping Beauty lay.

Then round about that place there grew a hedge of thorns thicker every year, until at last the whole castle was hidden from view, and nothing of it could be seen but the vane on the roof. And a rumor went abroad in all that country of the beautiful sleeping Princess; and tried to force their way through the hedge; but it was impossible for them to do so, for the thorns held fast together like strong hands, and the young men were caught by them.

A hundred years passed, and the story of the Princess was forgotten.

One day the son of the King who now reigned was a-hunting. Coming to the thick, prickly wood, and seeing the turret, the Prince asked to whom it belonged. No one knew, but an old peasant said, "I once heard my grand mother tell that in that turret is a beautiful Princess who is doomed to sleep there, until she is awakened by the Prince who will marry her."

(continued in the next Ka-Palama)

Mr. Wardell of the Boys Club Dept. will assist with the games.

## BALLET WORK INTRODUCED IN DANCE CLASSES

"Up on your too!" Swing the right leg forward! Down!" Up on your toe. Swing the right leg backward, down: Ready! Commence! Such are the commands heard in the girls' dance classes recently. Ballet exercises have been instituted as preliminary work for Ballet dancing which is to follow as soon as the girls have mastered the rudimentary technique. Miss Ann Powers, the girls' and Womens dance instructor, is beginning now to train the girls for a "Ballet" production planned for the summer.

Sixty eight girls reported for tap-dance instruction during February and the work in the girls' dance classes on Tuesdays and Thursdays has really been inspiring.
