

PRE-SCHOOL ACTIVITY:

NOVEMBER 30, 1956

Total Enrollment	66
No. School Sessions	20
Total Attencance	1089
Total Absence	147
Student dropped	2
New Pupils	2

GENERAL STATEMENTS:

We lost 2 children because of illness, however, we enrolled 2 from our waiting list which keeps our attendance the same - 66.

The 4 and 5 year olds had their hearing test and 2 out of 40 students had partial hearing loss. The parents were given a card which advised them to take their child for medical treatment.

The entire school went to the Turkey Farm out at Damon Tract to see the turkeys. We used the Palama truck and the station wagon. The children had a wonderful time.

Teachers had their room decorated with Thanksgiving pictures and projects which the children made. Each child took something that they made for their parents. Mrs. Ishida, our cook, prepared a Thanksgiving meal for all the children and staff.

The Pre-school Department felt so Thankful and wanted to share its blessings so Mrs. Ishida with a helper, prepared a genuine Thanksgiving Feast for the entire Palama Settlement staff. on Wednesday Nov/ 21. It was a wonderful fellowship and all enjoyed the feast.

The Volunteer Service donated to the Pre-school several tricycles, 2 scooters, a box of trucks, cars, dump-trucks etc. Mrs. Faye informed me that as soon as she has divided the pick ups for the different schools through-out the city, Palama Pre-school will have their day to gather as much of the toys as they want.

The funds from the "Friends of Palama" which \$200.00 was given to the pre-school was spent for educational equipment which the school was in great need such as: Puzzles, books, records and toys.

The P.T.A. is having 3 sets of building blocks made for the school. It should be ready by christmas. Mr. Green was able to have his friand make them for \$99.00 which is very reasonable.

The P.T.A Executive Committee met on Nov. 28 and Mr. Wee the president. drew up the constitution and by -law for our P.T.A. Copies will be made and given to the parents at the next meeting for any addition or corrections.

There were no special events this month.
