PEOPLE OF PALAMA

Most of us know the people around PALAMA. For those who may not know them, here are some interesting things about them.

Rosie - She has been with PALAMA for almost three years. She is a very busy lady and a very nice person. She may yell at us but always for a reason. She's really a very nice person to rap with.

Dutro - Is a very good looking guy here at PALAMA. He's a funny person once you start to know him. Color him mellow yellow.

Jim - Likes to joke around with people and play around with them. He is almost the man of the day because he's always smiling at all of us and he is a nice person to get along with.

Paul - Is a person who likes to play around with people. He is always happy. He is a really understanding clown. We all like and care for him. He's the happiest man around the school.

Terry - Is a person that really understands where you are coming from and he is a very cool person to have around you. When you feel like you have to talk to someone he is right there to lend an ear, a hand, an arm, a leg, a mouth, and all the loving you can have from him.

Mary - Has very nice looks. She's a "heavy chick" at PALAMA. She is a sweet, nice, and understanding person to have around you.

Ed - Is a compassionate person that like to help people that are in trouble. He likes to play almost any kind of sports. We call him "SHORTY" but he's never short on smiles and a good time.

Dave - Is a very funny person to know around PALAMA. He always tell people "hi" or "good morning". He is always encouraging us towards the right direction. He is a very smart and cheerful guy.

Cris - Came from McKinley. He likes running, swimming, and surfing. He took two years of Martial Arts. He is a funny guy and he is very nice to get along with. He would like to see young people get their head together and reach their goal.

GUESS WHO?

There is a person who knows-it-all. She also played pro-volleyball. She's a great woman who understands, When you're in trouble, she lends a hand. Her cooking has that magic touch. IT'S AUNTIE ANNIE WE LOVE SO MUCH!
