

Mr. Shekman

MUSIC DEPARTMENT MONTHLY REPORT
August, 1951

August brings the end of the summer terms and also preparation for the beginning of the new Fall term.

Between terms the teachers took their vacations. Two members of the staff, the director and the receptionist were out for two to three weeks on account of illness.

Letters of thanks were written to every donor who so generously helped in making the poi supper a success. Parents were duly thanked and informed as to the financial outcome of the supper through the usual channel of bulletins.

Miss Emma Loo, instructor, resigned effective August 31, 1951.

By referring to June, 1951's report, it can be seen that the summer registration was quite high. In direct contrast to June's enrollment there was a tremendous number of cancellations in August, due probably to the fact that many of the June enrollees were sent by their parents to occupy the children just for the summer months.

Respectfully submitted,

Dorothy Chun, Director
