

MUSIC DEPARTMENT

Minutes of Staff Meeting held on April 6, 1954

A discussion was held on our benefit concerts held on April 2 & 3rd. A total of \$693.00 has been turned in to Mr. Saffery and there are still a few tickets that have not been returned or accounted for. It was noted that the children sang very well but a little more supervision and planning would be needed next time.

It was decided that Mrs. Park will continue her work with the children's chorus but will hold rehearsals only on Saturday mornings.

Mr. Kelly asked what the possibilities were in holding another concert sometime in November. The staff thought that asking the members of the Symphony to donate their services once a year was sufficient. Mrs. Park suggested a T.V. program with the children's chorus be sponsored as a means of fund raising. Mr. Kelly agreed to investigate the possibilities of this.

An additional music appreciation class for 2nd, 3rd, and 4th grades will start the week of April 19. Miss Chock will be in charge of this class.
