Seeds	11.35
Pony	28.84
	\$ <u>77.01</u>

Bazaar was held on May 8th from 10:00 A. M. to 3:00 P. M.

In spite of asking the cooperation and help of the parents for the second time, the response was wonderful. The parents' realizing the state of our finances they felt the urgency and need of supporting this project.

The Bazaar was headed by a committee of parents with Mrs. Grace Hidano as chairman and Mrs. Pearl Lau assisting and doing a good job of organizing and planning for this event. Mrs. Kanehira was selected to do the publicity and Mrs. Shizuru as food chairman. The decision was made by the committee to have a sale of food, rummage, plants, fish pond, pony rides, and movies for the children. Foods to be sold were to be the following:

- | | |
|---|---------------------|
| 1. Hot dog | 7. Pastries |
| 2. Buns-donated by Quality Bakery 25 doz. | 8. Sushi |
| 3. Chow Fun | 9. Shrimp chips |
| 4. Tempura | 10. Seeds |
| 5. Salad | 11. Soda- Shave Ice |
| 6. Barbecue Meat | |

Most of the foods were donated with the exception of meat, Nevertheless, since we had money donation of about \$35 to \$40 we were able to buy part of the meat for barbecue.

Evaluation of the Bazaar

1. Sell scrips earlier
2. To start selling rummage at 9:00 A. M. instead of at 10:00.
3. Have bazaar during the month of April instead of at May.
4. Not have too much of hot dogs for sale.
5. Personal call about supporting the bazaar from the staff to the most recent alumnae parents was effective and better than notifying thro mail.

Excursions

Mrs. Look's children visited the Palama Fire Station and enjoyed the Experience of getting on the fire truck and watching the demonstration the firemen gave in the procedure of preparation when the alarm rings.

Miss Wada and her group visited the Humane Society. One of the mothers volunteered to drive the children to their destination.

The older group were taken to the International airport to see the Pan American plane. A guide was assigned to take the group around and allowed us to get on board the plane. This, the children enjoyed very much. They all wanted to sit in the seat and try the safety belt.

The boys were interested to see the instruments while the girls were interested only to know where the pilot sat to navigate the plane. The life jacket shown by the guide was of much interest to the children and some of them wanted to try it on.

The group was then taken to the kitchen and given ice cream as a treat. Balloons were given to all the children by the guide and the children all thought the guide was so kind and good for giving them so many things.

P.T.A. meeting was held on May 28th. The speaker was Miss Oyei Maehara of the D.P.I., supervisor of the elementary grades. She gave a short review of the film which was shown called, "Skippy and the 3 R's." An interesting discussion followed after the movie. We had some difficulty in getting started for the sound effect of the projector was defective. One of the gloves were broken and caused the defect. Luckily we found a spare globe and after replacing the globe we were able to show the film.

In spite of the delay, all the parents felt that it was worth while waiting to see the movie.

Some announcements and report of the results of the bazaar was given at this time.

O.P. Students

May was the last month for the University O.P. students. For their last day of teaching experience with us the two girls, Miss Okamoto and Miss Kochi donated and gave the children cup cakes for dessert. We appreciated the thought and gesture.
