CHIENO YAMANE LEAVES PALAMA MARCH 31

Chieno Yamane, for the past five years secretary of the recreation department, will leave Palama Settlement March 31st, to accept a position with Hawaii Brewing Corporation, Ltd., makers of the famed "Primo" beer. Miss Yamane will be replaced by Alice Yee, graduate of Cannon's School of Business.

Miss Yamane's departure is a distinct loss to the Settlement. She is so much a part of the recreation department it is difficult to assume an impersonal attitude in expressing the sentiment of the entire staff at her going, especially of those who have been closely associated with her throughout the five years. The sunny smile, flashing wit, and smooth efficiency that is synonymous with Miss Yamane will be missed.

Palama's loss is Hawaii Brewing's gain. Goodbye and good luck, Chieno! The recreation department will continue to progress, but it will somehow be different without you striding along.

MAVERICKS WALLOP SING SING IN CAGE TILT

The Maverick Hi-Y club gave Sylvester Abili's Sing Sing outfit a 68-46 shell-lacking in the first of a series of inter-club basketball games among older boys, last Thursday evening in the Pal gym.

James Koo, brilliant-shooting McKinley captain and forward, led the Maverick scoring parade, and was ably paced by Francis Sing, deceptive Mick guard. Melvin Ja and Albert Kam also proved themselves potent Maverick gunners, while George Abili and McKee were the whole show for Sing Sing.

1. Games are 21 - services changes every five points.
2. There shall be no "sneak" services. Ball to bounce once on server's side and once on opponent's side.
3. Change sides every game.
4. Matches will be two best out of three.
5. Players will arrange to play their own games.

MEMBERSHIP CARD

Get into the habit of bringing your Palama card with you whenever you come to Palama for anything - swim, playing in the gym or game-room, picnic, etc. Effective April 1, the policy will be "no card - no play." Palama has secured the services of Raymond Choo to enforce this rule. Mr. Choo will be at the game-room desk handling the buzzer and issuing games only to Palama members. Non-members take heed and get your memberships immediately.

SONG RALLY

An addition to the regular movies on Saturday, April 2nd, will be a song rally conducted during the intermission. This rally has been made possible through the printing of about 200 "nifty" Palama song-books compiled jointly by the boys' and girls' departments. It is the wish of both division directors that club leaders use the books as one way of improving their programs.

CLUB NOTES

GIRL SCOUTS at Palama joined other troops in the city last weekend for the Scout Camp Day at Lanakila Park. Our girls report a day packed full of fun with trail blazing games, and stunts climaxed by lunches cooked over Scout-made fires.

KOREAN JUNIORS turned their last club meeting into a music class. Miss Shon, club leader demonstrated her ability and skill with "uke" and the girls mastered the chords and words for several new songs. There is always something new and interesting going on in this club of peppy Junior girls!

MANILA CLUB have been including clay modeling in their club activities. Last week the project was completed and a variety of clay animals were proudly displayed by the young craftsmen before they were taken home to show the family. A loan collection from the Art Academy was instrumental in interesting the club in clay work and now other clubs have expressed a desire to try their skill.

TINY CLUB girls enjoyed a special treat in story telling when Mrs. Donohue volunteered to help out at the last club meeting. There is an art to story telling and the club reports that Mrs. Donohue ranks A#1.

CHINESE JUNIORS are learning the art of lauhala weaving these days under the careful guidance of N.Y.A. worker, Helen Young. Mats are serving as beginners' projects but the girls plan attractive purses just as soon as they have mastered the skill of turning corners. Miss Young is a McKinley student and has been giving a helping hand to a number of clubs interested in crafts.

KOREAN MIDGETS held a health meeting last week with Dr. Loo at the answering end of the "question box". Even Palama Midgets are anxious to take advantage of the services of our "Big Sister" Dr. Loo and the club was well stocked with both some problems on health and hygiene.

SPORTS

JUNIOR HI PLAY DAY as sponsored by the Girls' Department this year received a huge vote of appreciation by the 100 girls participating. "Old Man Sol" decided to give us a break and the entire program

was conducted under cloudy but dry skies. Invited schools included Roosevelt, Kalakaua, Kamehameha, Liliuokalani and Kawananakoa and the 20 girls selected from each school were accompanied by a teacher. After selection of color teams the crowd rapidly progressed from quoits to Volleyball, Shuffleboard, Baseball and Soccer and ended activities with a lively period in the pool. Mrs. Pitman and her N.Y.A. girls arrived at the opportune moment with a huge pot of tasty punch. A note of thanks to the teachers for their fine cooperation and congratulations, Mrs. West--it was a fine Play Day.

UNIVERSITY SWIM MEET - Eight Palama girls reported to the Natatorium last Friday night for another of the monthly practice swim meets sponsored by the University of Hawaii. When roll was taken at the close of the meet Palama had again collected a nice assortment of winning places and several new girls appeared in the winners column. Libby Aoki placed second and Bernice Meheula third in the 50 yard freestyle for girls under 13 years of age. Mary Keouli walked away with a first while Bernice Meheula added a second place ribbon to her collection in the 100 yard breaststroke event. Lulu Kea was only a spectator to this meet--no competition. Too bad Lulu--but better luck next time.

SENIOR BASKETBALL LEAGUE - McKinley's lean and tall basketeers provided an upset last night in the Senior League by defeating the experienced Citywide sextet 35 to 14 in a game that drew steady cheers from a crowd of 200 spectators. Both teams displayed a fast brand of team play but the taller McKinley girls outreached the Citywide players for toss-ups, rebounds and passes. The game was notable for speed with an excess of personal contact and both teams are to be congratulated on the brand of play and sportsmanship. Palama's "B" team trounced the "spunky" little Aiea sextet 46-27 in the final game of the evening. Aiea girls are playing their first season of citywide competition and are handicapped through inexperience but if first efforts are any indication this sextet will soon develop into a team well worth watching.

ART CLASS MEMBERS

There will be a special meeting in front of the Administration Building on Thursday, March 31st at 3:30 p.m.
