## DR. PLATT ANNOUNCES MEMBERSHIP POLICIES

Staff members and club leaders of the Boys' & Girls' Divisions met with Dr. Philip S. Platt, Settlement director, last Wednesday evening, June 5, in the Palama auditorium to discuss membership policies as drafted by professional members of both staffs.

Sounding the death-knell of all "dead-heads" at Palama, Dr. Platt stressed the absolute necessity of reserving Settlement privileges to bonafide members at the same time keeping community service in mind.

## PAL SLAM LOOP NEARING END OF 1940 SCHEDULE

Palama Settlement's 1940 community volleyball league will end its schedule with a triple-attraction next Tuesday evening, June 18, in the Westside gym. The tussles were originally scheduled for Tuesday, June 11, but the Kamehameha Day Holiday necessitated the postponement.

Gulick Store continued to occupy the driver's seat in the eight-team circuit after four weeks of action. The Gulicks boast an undefeated record in six starts, and are followed closely by the Fern A. C. outfit with five straight victories. The league championship will be decided when the two teams collide in the second game of a twin-bill Thursday, June 13.

Five forfeits marred a scheduled nine-game attraction on three nights last week due to a mix-up in playing times. However, all tilts played were hard-fought and packed with sizzling action. Makani A. C. downed Palama 15-12, 6-15, and 15-9 in the only game scored Monday, June 3, behind fine slamming by Kauhane, Kealoha, and Opuu.

Gulick Store pressed American Sanitary Laundry 15-17, 15-5, and 15-3 in the opening game of a triple-bill Tuesday, June 4. The Laundrymen cracked wide open after winning the first set in brilliant fashion. Keliikoa led the Gulicks to a convincing victory in the final heats. Fern A.C. kept within striking distance of the Gulicks by whipping Palama 15-4, 6-15, and 15-12 in the second game. Swan, Diamond, and Char starred for Fern, while Aiona, Abili, and Kapahua carried the Pal offensive. Just Step Inn took Makani A.C. for a 15-17, 15-4, and 15-8 ride in the final game of the evening.

American Sanitary Laundry, Palama, and Gulick Store won on forfeits from Hui Hawaiian, Ala Moana, and Makani A.C. respectively, in a scheduled triple-bill Thursday, June 6. Standings of all teams, with one week of play remaining in the schedule, follow:

	<u>WON</u>	<u>LOST</u>	<u>PCT</u>
Gulick Store	6	0	1.000
Fern A. C.	5	0	1.000

## 1940 INTER-CLUB TRACK CHAMPIONS CROWNED

Raymond Choo's Hui Aliis and Henry Wong's Japanese Fujiis were crowned Inter-Club Senior and Junior track champions respectively, at the big track and field meet sponsored by the Boys' Club Department Saturday, June 1, at Kamehameha Field.

Hui Alii tallied 57 points to nose out the Governors, who scored 30, and the Vikings, who registered 12 digits. Japanese Fujiis swamped the field by registering 46 markers, against nine for the Vikings, five for the Golden Arrows, and three points for Junior Rangers.

Only one record went by the boards as Japanese Fujiis' Hiromu Kawasaki created a new criterion for the 70-pound High Jump with a 3' 3½" effort.

## STAFF GOLF TEAM ROUTS DENTAL OUTFIT

A combined Recreation, Maintenance, Administration, and Tuberculosis Association all-star outfit administered a severe drubbing to a Dental team in the challenge golf-match held last Thursday, June 6, at the Ala Wai course. The Staff team grossed 751-141-610 for a net average of 87 1/7 strokes for the seven-man squad, as compared with the Dental crew's 774-134-640 and 91 3/7 strokes average.

Low gross honors went to Dr. Lam, Medical Head playing for the Dentists, who carded a 93-0 round. Bob Vieira, Maintenance chief, annexed low net laurels with a 96-24-72 effort. Surprise of the day was the sensational stroking of John "Palenapa" Makolo, who grossed an even 100, which sans a 24-stroke handicap, gave him a net 76.

The Dental outfit will be hosts at a chop sui dinner scheduled for Thursday, June 27. Scores of all participants are listed below:

The Staff golfers whipped the Dentists without taking the handicaps into consideration, but as they were given seven strokes as a team, turned the tournament into a near rout. The Staff team averaged 107 2/7 strokes without handicap, while the Dental outfit averaged 110 2/7 swipes per man.

Monthly tournaments between departments are being planned by a committee appointed for the purpose.
