Dear Parents,

The Spring term of the Palama Pre-School will close June 13th. Palama will have a six weeks' summer school beginning June 23rd and ending August 1st. The fee for the six weeks' term will be \$24.00 and will include such activities as trips to the beach, excursions and picnics.

Children already enrolled in the pre-school will be admitted in the summer school, so please make arrangements with me as soon as possible so that we may fill our group.

Sincerely,

PALAMA PRE-SCHOOL
